

CHAPTER PRESIDENT'S ADVISOR

BY-LAW REQUIREMENTS

IX. DUTIES OF CHAIRMEN

16. The CHAPTER PRESIDENT'S CHAIRMAN shall be of assistance when asked and give a workshop at State Convention if requested by the President or Workshop Coordinator.

GUIDELINES

- ◆ If requested, assist Chapter Presidents in any way you can.
- ◆ Submit HAWTHORNE articles telling them you are willing to help if needed.
- ◆ If requested by the President, you may be in charge of the Chapter President's Breakfast usually held at Convention on Saturday morning.

ONLY SUGGESTIONS FOR THE BREAKFAST:

- Send an invitation to all Chapter Presidents inviting them to the breakfast. (Include the Executive Board, the IC Rep and MARC Rep. in the invitation list. IC Rep and MARC Rep should not be charged. Executive Board and Chapter Presidents will be asked to pay for the breakfast.)
- You might make it special and fun and ask the Chapter Presidents to tell about things that happened in their year. This could either be a surprise to them that you might do or they could talk at the breakfast.
- Or...you might have the Chapter Presidents recognize the President in some way.
- Or...the President might want to do something special.
- Or...be creative and come up with a new idea.
